# Rhein-Maas-Liga Post 3/2002

Dear Go players between Rhine and Maas,

the second round is completed now, and the results might allow some first interpretations. The clear favourite is Köln. They are leading with 5:1 points, although they played only three games up to now. This is remarkable, because only won matches count as a primary criterion and not the ratio of won and lost games or the like. The second place is shared by Baoming Liège and Bonn Uni. The latter seems to favour balanced results: all four matches up to now ended in a tie.

Vincent told me that Limburg and Yakuza Aachen had a nice evening. Due to the following holiday, they could extend it until late night. Limburg won clearly by 4:0. Maybe Aachen can make up for the loss and stop Köln in the third round?

Best wishes,

Marcel

## Rules

1. Each team plays at four boards. The strongest player of each team plays at board 1, the second strongest at board 2, and so on.
2. The weaker player gets full handicap, but at most nine stones. In case of equal strength the colours are determined by nigiri; white gets 6 komi.
3. Time limit is 45 minutes, byoyomi is 20 moves in 5 minutes.
4. Anybody may participate, but for only one team in a year. There is no limit to the number of players in a team.
5. Unless other appointments are made, games start at 8 p.m. If a team is not able to play on the scheduled date, it has to inform all teams concerned and Marcel, at least one week in advance. In any case the games shall be played at most two weeks later than scheduled.
6. The home team is responsible for reporting the results to Marcel as soon as possible. If games do not take place or Marcel does not get a result, the responsible team loses.
7. The ranking depends on match points (2 for a won match, 1 for a draw), in case of tie on won games. If teams are still equal, the results among them count next.
8. All participants concede that the results are published in the WWW.

**Tournaments**

The nice spring period with many tournaments nearby is over now. Fortunately there is no need for a complete abstinence, since there are some nice alternatives in the Netherlands:
