Rhein-Maas-Liga

Post 1/2002

Dear Go players between Rhine and Maas,

after many years, Regina and Jens handed over the organization of the Rhein-Maas-Liga to me. Thank you very much for the effort and perfect work, Regina and Jens!

In the tenth year of the Rhein-Maas-Liga, six teams participate: Yakuza Aachen, Tenuki Bonn, Bonn Uni, Köln, Baoming Liège and Limburg. There are six rounds. Every teams plays against every other team twice. You will find the time schedule in this RML-Post. Please check it and report any problems to me.

Every contribution to the RML-Post is welcome to make it as interesting as possible. You are strongly encouraged to send me match reports, commented or uncommented game records, photos or anything else!

Also note that the location of the webpage has changed, see below. Besides the latest results, the issues of the RML-Post can be found there, too.

I wish you a good start into the new RML season,

Marcel

Rules

1. Each team plays at four boards. The strongest player of each team plays at board 1, the second strongest at board 2, and so on.
2. The weaker player gets full handicap, but at most nine stones. In case of equal strength the colours are determined by nigiri; white gets 6 komi.
3. Time limit is 45 minutes, byoyomi is 20 moves in 5 minutes.
4. Anybody may participate, but for only one team in a year. There is no limit to the number of players in a team.
5. Unless other appointments are made, games start at 8 p.m. If a team is not able to play on the scheduled date, it has to inform all teams concerned and Marcel, at least one week in advance. In any case the games shall be played at most two weeks later than scheduled.
6. The home team is responsible for reporting the results to Marcel as soon as possible. If games do not take place or Marcel does not get a result, the responsible team loses.
7. The ranking depends on match points (2 for a won match, 1 for a draw), in case of tie on won games. If teams are still equal, the results among them count next.
8. All participants concede that the results are published in the WWW.
