

Rules

1. Each team plays at four boards. The strongest player of each team plays at board 1, the second strongest at board 2, and so on.
2. The weaker player gets full handicap, but at most nine stones. In case of equal strength the colours are determined by nigiri. White gets 6 komi.
3. Time limit is 45 minutes, byoyomi is 20 moves in 5 minutes.
4. Anybody may participate, but for only one team in a year. There is no limit to the number of players in a team.
5. Unless other appointments are made, games start at 8 p.m. If a team is not able to play on the scheduled date, it has to inform all teams concerned and Marcel, at least one week in advance. In any case the games shall be played at most two weeks later than scheduled.
6. The home team is responsible for reporting the results to Marcel as soon as possible. If games do not take place or Marcel does not get a result, the responsible team loses.
7. The ranking depends on match points (2 for a won match, 1 for a draw), in case of tie on won games. If teams are still equal, the results among them count next.
8. All participants concede that the results are published in the WWW.

Rhein-Maas-Liga 2005

Dear RML players,

the time schedule for 2005 is fixed now. Unfortunately, the teams from Cologne and Liège again did not want to participate this year, and I did not succeed to gain other teams like Koblenz.

So we are in the same constellation as last year. All five teams play each other team twice in five double rounds. Please check whether the time schedule fits well with your needs and inform me in case of any problems.

Finally, let me remind that there is an email list for the results and announcements during the year. Everybody is invited to join, just let me know. Moreover, all results can be found at <http://www.dgob.de/lv-nrw/rml/>.

I wish you a nice RML season,

Marcel
